Step 4: Preparation and passing the certification exam

- a. Ensure you are only using a single monitor
- b. Reboot your computer before connecting
- c. Open a fresh instance of Google Chrome
- d. Be in a private, well-lit room
- e. Clear your workspace of clutter
- f. Have your government issued photo I.D. ready
- g. Have a mobile phone with a front-facing camera or small compact mirror ready
- h. No non-religious head coverings
- i. Test your equipment and ensure everything is working

If you have issues, contact a live technician at the bottom of the page.

- https://test-it-out.proctoru.com/

Need more information on exam proctoring? Visit https://www.proctoru.com/live-plus-resource-center

Login to the application at your scheduled time and start your session.

Step 5: Receive your digital certificate from INSTA, our certificate authority partner

You will receive an email from support@insta.fi within 3 business days of successful exam completion and passing with instructions to download your digital certificate.

You will receive a password via SMS text to download the certificate.

Step 6: You are officially a CPI!

Follow the instructions in the email to download your certificate.
